Mug - Horror Scope Sagittarius

Mug - Horror Scope Sagittarius

These Horror-Scope mugs are perfect gifts for the person in your life who can take a joke. Maybe they're even perfect for that person who CAN'T take a joke either! Either way, they're funny mugs and not made out of that flimsy stuff that breaks when you stick it in the dish washer. Perfect for standing around and not doing anything because we all know if you're standing around with a cup of coffee in your hand, you look busy!

Sagittarius November 22 - December 21

This Sagittarius Horror-Scope Mug says:

You are optimistic and enthusiastic. You have a reckless tendency to rely on luck since you have no talent or social skills. The majority of Sagittarians are addicts. People laugh at you a lot because you are always soiling yourself. You are utterly worthless.
