

RIO MINI FACIAL CLEANSER DEEP SKIN CLEANSING EXFOLIATING FACE BRUSH UK SELLER

More effective than just soap and water, the two speed rotating soft brush works with your favourite cleansing product to gently exfoliate and deep cleanse the skin, aiding the absorption of moisturisers.

Suitable even for sensitive skin, Mini Facial Cleanser helps reduce the appearance of problem areas such as oily skin, dry patches, pores and blemishes, leaving the skin feeling healthier, instantly smoother, more radiant and refreshed.

Features:

- â ° 2 speed rotating soft brush
- â ° Deep cleansing
- â ° Water resistant
- â ° Suitable for sensitive skin
- â ° 2 Year Guarantee
- â ° Battery Operated (Requires 2 x 1.5V AA alkaline batteries not included)

How to use:

Step 1. Dampen your face with warm water. Apply your chosen cleansing product either to the brush head or your skin.

Step 2. Press the power/programme button once for programme 1; medium speed rotation. Press the high speed rotation button for programme 2; high speed rotation.

Step 3. Move your Mini Facial Cleanser over each area for 20 seconds. Start with the forehead, then nose, chin and finishing with each cheek.

Step 4. Turn the unit off by pressing the power/programme button. Gently rinse your skin with warm water and pat dry with a towel. Allow the brush head to air dry before storing.

Precautions:

- â ° Please read all instructions thoroughly and retain for future reference.
- â ° Do NOT use on scars, broken skin, rosacea, pustular or inflamed acne,

abraded skin eczema, damaged, inflamed or diseased skin, or any other skin ailment. It is recommended that you consult a doctor if you are unsure

â ° Avoid contact around the eye area.

â ° For external use only.
